LOCAL AND GENERAL.

The Transformation of Calcutta.
The Calcutta improvement scheme is
estimated to cost seven crores and eighteen
lakhs (£71,800,000), and the work is to be
entrusted to a Trust, as in Bombay. The
Government of India guarantee the loan
on certain conditions.

The 'Kutsang' Affair.
The two Chinese coolies who were
arrested in connection with the death of
another man on board the Steamer Kut
Sang at the Quarantine Station have been
committed for trial at the next Singapore
Assizes on a charge of culpable homicide
not amounting to murder.

Theft.
At the instance of Inspector A. Law-
rence, of the Naval Yard, a coolie was
brought before Mr F. A. Hazeland at the
Magistracy on the 26th inst. charged with
stealing one of Captain Percy Scott's patent
signalling lamps. He was sent to prison
for six weeks.

To Europe in a Junk
The N.-C. Daily News says—We have
received a letter from Tsingtau from two
young Danish certificated mercantile marine
officers, who propose to make a voyage
alone in a Chinese junk to Copenhagen
via the principal ports en route. They are
anxious for financial assistance in fitting
out their junk for the voyage, and we hope
shortly to be able to give fuller details of
their proposed expedition.

the Hongkong Hotel at 8 p.m. The Hon.

Scarlet Fever at Hangchow.
The Hangchow correspondent of the
N.-C. Daily News wrote on the 17th inst.:
—The scarlet fever has unfortunately
made its appearance in Hangchow. On a
recent occasion, Dr. Ling of the Hospital
reported to Dr. Main a case of fever with
symptoms such as he had never observed
before. Note was taken of it as being
probably scarlet fever—a new arrival in
this part of China. The case had occurred
outside the city; but in a short time the
infection had been carried from that family
into the Girls' School of the Southern
Presbyterian Mission. There have been
three cases, three fatal, six others severe,
and a remainder slight. Thirty of the
girls were sent to their homes when the
school was disbanded. The bodies in charge
of the school, who are now heavily taxed
with the care of nursing so many fever
patients, have our sympathy.

Notes by the Way.
The Hon F. A. Cooper, C.M.G., Direc-
tor of Public Works in Ceylon, who has
been in ill-health for some time, left for
England on a year's leave on the 16th inst.

Mr William Fitchett, who was left be-
hind at Shanghai by the Janet Waldorf
Company, was presented with a substantial
purse at a smoking concert held on his be-
half on the 26th inst.

Mr J. W. Jamieson, Commercial At-
tache and Consul, is temporarily in charge
of H. B. M.'s Consulate at Shanghai in the
absence of Mr R. W. Mansfield, C.M.G.,
the Acting Consul-General.

The following Sanitary Inspectors, on
the recommendation of Dr F. W. Clark,
have been deputed to institute legal
proceedings under the Public Health and
Buildings Ordinance, when directed by the
Medical Officer of Health:—Inspectors L.
E. Brett, F. Allen, W. H. Woolley, J.
Reidie, W. Fincher, D. J. McKenzie, A.
Hoggarth, C. W. Brett and A. Brown.

Bishops in China.
We learn from the monthly publication
of the Hongkong Church Missionary
Association that the Bishop of Victoria
will probably remain here till Easter,
after which he will make his customary
tour in the Fuhkien province until
Whitsuntide. The meeting of the Bishops
of the Anglican Church in China will prob-
ably be held in Shanghai early in June.
The date and place of Rev. G. D. Liff's
consecration to the Bishopric of Shan-tung
is not yet settled.

Band at Hongkong Hotel.
By kind permission of Major Radcliffe
and Officers, the Band of the 33rd Burma
Infantry will play the following programme
at the Hongkong Hotel to-morrow (Sat-
urday) evening from 8 to 9.30 p.m.:—

GOD SAVE THE KING.

Rebellion via Shanghai.
It is reported from Canton (says the
N.-C. Daily News) that Governor Wang
Chih-chun, of Kuangsi, who was recently
frustrated in his attempt to get to Kueilin,
the capital of that province, and compelled
to fall back again upon Nanningfu, as al-
ready stated in a recent 'Note,' has been
so harassed there and almost surrounded
by the rebels that he has been forced to
make a further retrograde movement in the
direction of Wueichou. In the meantime,
Governor Wang has been appealing for aid
to his brother Governors of Yunnan,
Kueichow, Hunan, and Kiangsi, whose
border are near Kuangsi province; but ap-
parently without much avail, for these offi-
cials themselves, fearing a near invasion
from Kuangsi, desire to keep all their
troops with them.

H. E. Sir Henry Blake.
We hear that a Petition or Memorial
addressed to the Secretary of State is being
prepared for signature by the members of
the Chinese community in Hongkong with
the object of obtaining a second term of
the governorship of Hongkong for Sir
Henry Blake. If this rumour is correct,
Sir Henry must be congratulated upon the
good feeling which he has established be-
tween himself and the native residents. It
is not stated that any action for the same
object has been suggested to be taken by
the British and European residents, but
the rumour concerning the transference of
Governor Blake to Ceylon must, in view of
this alleged action on the part of the Chi-
nese, be accepted with reserve.

The Taipingshan Resumption.
H. E. the Governor is a statesman
who is capable of surprises, and he proved
his reputation for this quality by his
remarks concerning the proposed setting
aside of the Taipingshan Resumption area
as a garden for the Chinese community.
The Chinese residents ought to feel very
highly honoured upon getting a piece of
ground in the centre of the native City
which has cost the Colony so much. Of
course, we have not heard the arguments
in favour of this 'new lung' in the
heart of the old plague-stricken
area. But the increased light and
air argument may cover and meet every
objection that may be raised as to the al-
ready excessive congestion of that neigh-
bourhood, and as to the funds which might
have been obtained for the ground for
buildings to be erected under the new
Public Health and Buildings Ordinance.
The Community will gladly look forward
for the pros. and cons. of this evidently well-
meant scheme of Governor Blake, and, on
the light and air theory, will be pleased to
balance the advantages or otherwise of
the proposal.

IT WILL NOT DO
To fool with a bad cold. No one can tell
what the end will be. Pneumonia,
catarrh, chronic bronchitis and consump-
tion invariably result from a neglected
cold. As a medicine for the cure of colds,
coughs and influenza, nothing can compare
with Chamberlain's Cough Remedy. It
always cures and cures quickly. For sale

LOCAL AND GENERAL.

The New Army Rifle.

Mr Arnold Foster has announced that
the Admiralty has declined to adopt the
new Army rifle for the Navy.

programme will be issued later.

1,500 houses were lime-washed dur-
ing the fortnight ended 28th ult. One
exemption was granted and there were no
prosecutions. For the fortnight ended
14th inst., the number of houses lime-
washed was 1,397.

Alleged Kidnapping.
At the Police Court this morning, be-
fore Mr F. A. Hazeland, So Chun Yun,
a married woman, was charged with un-
lawfully taking part in bringing Cho I to
Hongkong, by deceiving and enticing her.
Accused was remanded till Wednesday, the
1st April.

Police on Holiday.
Lance-Sergeants Kent, Garrod, Fen-
ton, and McHardy, of the Hongkong Police
Force, leave by the P. and O. S.S. Malta
for England to-morrow, for nine months' holiday. Lance-Sergeant Kent was the
successful winner of the May Memorial
prize for 1903.

Fire.
Last night, a slight outbreak of fire
occurred at No 365 Queen's Road West, a
tea shop, and damage to the extent of about
\$300 was caused. The Fire Brigade under
Chief Inspector Baker, soon reached the
scene, but their services were not required,
as the fire was extinguished by the inmates
of the house.

Housebreaking.
Last night, a native entered the house
No. 44 Wanchai Road, by means of house-
breaking instruments, and carried away
clothing valued at about \$6. Not being
satisfied with his booty, he again entered
the house, and was arrested by the occu-
pant. This morning he was brought before
Mr F. A. Hazeland, and sentenced to one
month's imprisonment.

St Peter's Church Sunday School.
We have been requested to state that
arrangements have now been completed
for the formation of a Sunday school in
connection with St Peter's Church,
Queen's Road West. Boys and girls
residing in the neighbourhood will be
welcome at 10 o'clock on Sunday morning,
29th inst., and subsequent Sundays at the
same hour. The active co-operation of
parents is solicited.

Mumour at the Police Court.
Some merriment was caused at the
Police Court this morning by the ap-
pearance of one Thomas Buchanan, charged
with being drunk and disorderly. On
being asked if he pleaded guilty, he said—
'I am very sorry, yer honour. It is the
first time I have been before the bar.'
His Worship—'What do you mean.'
Prisoner—'I mean before the bar at the
Hotel.' He was ordered to pay a fine of
\$2.

Oublics.
Amongst the documents submitted to
the Sanitary Board this afternoon was a
minute by Dr F. W. Clark recommending
that the Board should ask the Chinese
members to take such steps as they might
deem necessary to acquaint the Chinese
community generally with the new law as
to every cubicle having a window into the
external air. This, he said, will greatly
facilitate the work of the Sanitary In-
spectors in this direction.

Crickets.
The following will play in the Match
Old Members' New Members to-morrow,
commencing at 11 a.m.:—
Old Members—T. M. Barrett, R. N.

Rimington, S. F. Rev. H. R. Wells and

Plague Staff.
Dr F. W. Clark proposed to the Sa-
nitary Board that the following Inspectors
be appointed for the purpose of carrying
out the provisions of the bye-laws for the
prevention or mitigation of epidemic,
endemic or contagious diseases, and that
the approval of His Excellency the Govern-
or be obtained to the said appointments:—
Inspectors John Reidie, L. E. Brett, F.
Fincher, F. Allen, W. H. Woolley, and W.
Fincher. The object of this appointment
is to secure that only reliable officers are
entrusted with the carrying out of these
bye-laws, and Dr Clark intimated that the
Board might rely on the integrity of these
officers, who had been specially promoted
for this plague work.

LOCAL AND GENERAL.

The Riot in Trinidad.

London, March 25, 1903.
Fourteen were killed and forty wounded
in the recent riot in Trinidad. No En-
glishmen were among the number.

**WIDESPREAD SEISMIC
AGITATION.**
There are reports from various parts of a
wide-spread seismic agitation. The Souf-
riere and Mont Pelée are again devastating
parts of St. Vincent and Martinique.
Violent shocks occurred at Karlsruhe and
Saxony on Sunday. Volcanus is increas-
ingly active, and shocks were felt yester-
day in Staffordshire and Derbyshire; in
some places, chimneys and ceilings fell,
and people rushed into the streets, but no
serious damage was done.

**GENERAL SIR HECTOR
MACDONALD.**
The Ceylon Times says that General Sir
Hector Macdonald refuses to let an adverse
verdict go by default.

**SUICIDE OF GENERAL SIR
HECTOR MACDONALD.**
It is officially stated that General Sir
Hector Macdonald shot himself this after-
noon in a Paris Hotel.

VENEZUELA.
President Castro has withdrawn his
resignation.

THE IRISH LAND BILL.
The Rt. Hon. George Wyndham, in a
crowded house, introduced the Irish Land
Bill to the Commons. The Bill provides
for granting tenants cash advances to
purchase their own holdings. The hundred
million pounds, which may be required,
will be raised by the creation of a new 2½
per cent Guaranteed Stock, not redeemable
for thirty years, and in addition to this,
there will be a free grant of £12,000,000.
Mr John Redmond cordially welcomed
the tone and temper of Mr Wyndham's
scheme. The Bill passed its first reading.

A ROYAL RECOGNITION.**
Trenton, March 20.
King Edward has sent General Mui a
gold watch in recognition of his services to
the missionaries at Tsangchou in 1900.

LABOUR IN SOUTH AFRICA.
London, March 20.
The intercolonial conference at Bloem-
fontein has decided that the natives south
of the Zambesi are insufficient for labour
requirements and that further immigration
of unskilled Asiatic labour, if positively
required, should be permitted under con-
trol of the Government, which should
provide in their indentures for their re-
patriation. The permanent settlement of
Asiatics would be injurious and should
not be permitted.

TURKEYS TERCIVERSATIONS.
Owing to the British Constantinople
Embassy's strong representations of the
terciversations and bad faith of the
authorities at Yem, and the Ambassador's
consequent threats to proceed to delimita-
tion without consulting Turkey, the Porte
has informed the Embassy that it has
sent instructions in conformity with the
Embassy's requirements.

THE DISCORD IN MACEDONIA.
London, March 21.
There is no improvement in the condition
of Macedonia. The emissaries of the re-
volutionary committee are everywhere
extorting contributions by intimidation
backed by assassination. Armed bands are
constantly in conflict with the troops,
escaping with the help of the villagers
whenever they are worsted.

**THE CAMPAIGN IN
SOMALILAND.**
The advance body of the main column of
the British left Abbia on the 6th inst.
under the command of Lieut.-Col. Fasken.
